WAKEFIELD HIGH SCHOOL DESIGN WORK SESSION WITH THE SCHOOL BOARD.

The Board held a Work Session from 3:38 p.m. to 6:04 p.m. with the School Board and County and schools staff to discuss the design of Wakefield High School.

Mr. Fendley welcomed the County Board, and he and Mr. Tejada made introductory remarks.

Mr. Roger Lewis, Professor Emeritus, University of Maryland, made a presentation on civic architecture, including Wakefield's relation to the surrounding neighborhood and his recommendation for what should be done at the Wakefield site.

Representatives from Bowie-Gridley Architects made a presentation on the Wakefield conceptual design which will come before the School Board in October for approval. Approval of the conceptual design would allow Bowie-Gridley Architects to move forward with the schematic design of the school.

Board members discussed issues relating to conceptual design.

Mr. Fendley asked for the County Board's continued input as the process moves forward.
