

ARLINGTON COUNTY, VIRGINIA

**County Board Agenda Item
Meeting of February 21, 2009**

DATE: February 12, 2009

SUBJECT: Request to advertise a public hearing on March 26, 2009, for a new parking fee at 3033 Wilson Boulevard.

C. M. RECOMMENDATION:

Authorize advertisement of a public hearing on March 26, 2009, on a new \$3.00 flat parking fee at 3033 Wilson on evenings and weekends effective July 1, 2009.

ISSUE: Should the County impose a parking fee for the public at 3033 Wilson Boulevard on evenings and weekends?

SUMMARY: It is proposed that a flat \$3.00 parking fee per car be charged for evenings and weekends at the Stambaugh Human Services building at 3033 Wilson Boulevard to partially offset garage operating costs.

DISCUSSION: Parking at 3033 Wilson Boulevard is currently free evenings and weekends. The \$3.00 fee is competitive compared to existing Clarendon parking garage options.

Annual 3033 Wilson Boulevard garage operating costs total \$443,451. The parking fee will partially recover operating costs for the parking garage. The new \$3.00 flat fee would be charged 6:00pm to 12:00am Monday through Friday; 10:00am to 12:00am on Saturdays; and 1:00pm to 8:00pm on Sundays.

FISCAL IMPACT: It is anticipated that this new fee will generate \$122,286 in net revenue in FY 2010, reflecting \$191,100 in gross revenue offset by expenses of \$68,814 for new signs and contractor costs associated with staffing the parking garage during evening and weekends. These revenues and expenditures are reflected in the County Manager's FY 2010 Proposed Budget.
