

## ARLINGTON COUNTY, VIRGINIA

**County Board Agenda Item  
Meeting of March 14, 2009**

### SUPPLEMENTAL REPORT

**DATE: March 9, 2009**

**SUBJECT:** Approval of agreements and funding for environmental planning and preliminary design work for the Columbia Pike Streetcar.

**DISCUSSION:** The recommended Board action includes approval of Columbia Pike Streetcar Coordination Agreement between Arlington County and Fairfax County, which appears as Attachment A to the original Board Report dated February 24, 2009. Since that submittal, Fairfax County has recommended and Arlington County has accepted minor revisions to the Coordination Agreement. Attachment A1 to this Supplemental Report is the revised Columbia Pike Streetcar Coordination Agreement.

The modifications to the Coordination Agreement reinforce the joint decision making process for managing the Columbia Pike Streetcar project, and further provides for a “non-binding” dispute resolution process in the event the parties are unable to reach an accommodation on a particular issue.
