

ARLINGTON COUNTY, VIRGINIA

County Board Agenda Item Meeting of April 25, 2009

DATE: March 31, 2009

SUBJECT: Adoption of the Crystal City Business Improvement Service District (“Crystal City BID”) tax rate as part of the overall real estate tax rate.

C. M. RECOMMENDATION:

Adopt the Calendar Year (CY) 2009 tax rate for the Crystal City Business Improvement Service District (“Crystal City BID”) of \$0.043 that is in addition to the current real estate rate, using the attached resolution (Attachment I).

ISSUES: As part of the regular budget process, authorization from the County Board is being requested to set the tax rate for the Crystal City Business Improvement District (CCBID) to fund the FY 2010 budget and work plan of the CCBID. The public hearing for this item was held March 26, 2009.

SUMMARY: The proposed tax rate of \$0.043 per \$100 of assessed value for CY 2009 is unchanged from the rate in CY 2008. A CY 2009 tax rate of \$0.043 would fully fund the FY 2010 budget and work plan submitted by the Crystal City Business Improvement District, Inc.

BACKGROUND: In April 2006, the County Board approved the Crystal City Business Improvement District (“Crystal City BID”) to further promote the development of Crystal City as Arlington’s best downtown area. Modeled after the Rosslyn BID created in 2002, the Crystal City BID was designed to provide marketing (branding / promotion / place-making), community events, transportation, public improvements and public safety. The district, which began operation on July 1, 2006, was created with a five (5) year term, at which time the County Board will be required to reauthorize the District.

The service district levies an ad valorem property tax on real estate located within the district. The District includes only commercial properties, including residential rental properties, commercial office and retail properties. By law, the extra services provided in the District must be directed at properties included within the District. The additional tax levy is established, assessed and collected through the normal County tax billing and collection processes. The

County Board, as the governing body, approves the services, appropriation level and management of the District.

DISCUSSION: The business improvement district comprises 138 parcels in the Jefferson Davis Metro corridor. The budget and work plan funds enhanced services in the following categories: 1) Marketing, Branding and Promotion; 2) Community Activities and Events; 3) Transportation, Parking, Pedestrian Access and Programs; 4) Public Improvements; and other services as deemed desirable by the Board of Directors and as approved by Arlington County. The proposed tax rate of \$0.043 per \$100 of assessed value will generate \$2,219,885 in revenues to fund the Crystal City BID Work Plan for the fourth year of operation.

FISCAL IMPACT: There is no fiscal impact to the County for the additional tax rate imposed on the Crystal City Business Improvement District. The County receives 1% of the service district's supplemental tax rate revenue to offset the costs of administering the Crystal City Business Improvement District. These funds are included in the FY 2010 Budget.
