Arlington Public Schools
2770 South Taylor Street
Arlington, Virginia 22206

DISCUSSION: This supplemental report provides the results of the Transportation Commission meeting held on July 2, 2007, and revises Condition #26 based on the recommendation by the Transportation Commission.

Transportation Commission: The Transportation Commission considered this item at its June 21, 2007, rescheduled carry-over meeting on July 2, 2007. The Commission voted unanimously to recommend approval, subject to the following recommendations:

- Re-examine the bicycle path connection between Washington Boulevard and the parking lot to determine if a more direct and convenient connection is feasible.
Staff Response: Adjustments may be made during final engineering of the site.
- Provide an additional 10 bicycle parking spaces, for a total of 30. Five of those spaces should be located near the ball field.
Staff Response: Staff concurs and the applicant has agreed to provide a total of 30 bicycle parking spaces. Condition #26 has been updated to reflect the increase in bicycle parking.

County Manager: _____
