County Board Agenda Item
Meeting of April 24, 2010

SUPPLEMENTAL REPORT – REVISED RECOMMENDATION

DATE: April 23, 2010

SUBJECT: U-3184-07-1 USE PERMIT RENEWAL for a drive-through for a bank located at 5510 Lee Highway (RPC #10-001-007).

Applicant:

Bean, Kinney & Koffman, P.C.
2300 Wilson Boulevard, 7th Floor
Arlington, Virginia 22201

C. M. RECOMMENDATION:

Renew the use permit for a drive-through facility, with an Administrative Review, ~~January 2011~~ October 2010, and no further scheduled County Board review.

DISCUSSION: The purpose of this supplemental report is to change the date of the Administrative Review of the drive-through facility. The April 6, 2010 report recommended an Administrative Review in January 2011. The revision moves the Administrative Review date up to October 2010 to ensure that landscaping installed on the site is in accord with the approved landscape plan and that review is not during the middle of the winter.

Therefore, staff recommends that the use permit be renewed with an Administrative Review in October 2010 and no further County Board review.
