

ARLINGTON COUNTY, VIRGINIA

County Board Agenda Item
Meeting of April 24, 2010

Date: March 29, 2010

SUBJECT: American Recovery and Reinvestment Act (ARRA) Immunization Funding

C. M. RECOMMENDATIONS:

Appropriate \$54,782 in Virginia Department of Health ARRA Immunization Funds (101.374900) in FY 2010 to the Department of Human Services' Immunization Program (101.55104).

ISSUE: This is a request to appropriate Virginia Department of Health ARRA Immunization Funds. No net tax support is required and no issues have been identified.

DISCUSSION: Funding will support ongoing immunization program outreach, administration and management. These one-time funds will improve immunization rates and provide some temporary employment opportunities.

BACKGROUND: These funds were awarded to the Virginia Department of Health to provide vaccines to residents who don't qualify for the Vaccine for Children Program. The funds will help provide free vaccines – including Hepatitis A, TDAP (tetanus, diphtheria, pertussis), HPV (human papillomavirus virus), Zoster, Rotavirus and Meningococcal – to children, adolescents and adults served in Department of Human Services' clinics.

FISCAL IMPACT: None. This action will appropriate an additional \$54,782 to the Department of Human Services' FY 2010 budget. No local match is required.
