

ARLINGTON COUNTY, VIRGINIA

County Board Agenda Item Meeting of April 24, 2010

DATE: April 1, 2010

SUBJECT: An ordinance to adopt a schedule of zoning fees for Fiscal Year (FY) 2011 that would implement an inflationary increase of one percent over fees previously set forth in the Zoning Fee Schedule for FY 2010.

C. M. RECOMMENDATION:

Adopt the attached ordinance to adopt a schedule of zoning fees for Fiscal Year 2011 that would implement a one percent inflationary increase over the Fiscal Year 2010 fees, in order to provide for efficient administration of the County's review process.

ISSUES: As part of the regular budget process, zoning fees in the Department of Community Planning, Housing and Development (CPHD) and the Department of Environmental Services (DES) are being raised one percent to adjust for inflation. No issues have been identified.

SUMMARY: The zoning fee schedule changes in this report are proposed for the Fiscal Year (FY) 2011 Budget. The rate of inflation over the last year was one percent, and was applied to all fees (and rounded up to the nearest dollar), in the attached "Consolidated Fee Schedule for Applications, Various Permits, Building Permits, Subdivision plats, Application Fees and Rezoning Requests," except fees for Dance Hall Permits and for copies of the Zoning Ordinance, which are not included in the annual fee increase. The increase reflects the inflation rate since these fees were last raised in FY 2010 (effective July 1, 2009). In addition, some new fees are proposed related to use permit amendments; comprehensive sign plans and landscape plans associated with use permit uses; use permits associated with requests for modifications to nonconforming apartment buildings including a voluntary coordinated housing and preservation development district (VCHPDD); rezoning to "CP-FBC"; temporary sign permits; and revised fees for determination and buildability letters. The modified fee schedule would become effective on July 1, 2010, if approved by the County Board. The increases are intended to further the County's goal of recovering the costs of reviews and processing as well as operating the Current Planning and Zoning Administration programs in the CPHD Planning Division, and the Planning Development Services Bureau in the DES Transportation Division. The proposed new fees and fee increases will not result in more revenue than the cost of the services provided.

BACKGROUND: In September 2007, the County Board authorized creation of an enterprise fund that includes the Inspections Services Division and the Planning Division’s Zoning Section, and addressed the development demands placed on the DCPHD’s Current Planning Section and DES’ Transportation Division by increasing fees and earmarking the revenue for additional positions. These changes went into effect on October 1, 2007, and starting with FY 2009, inflation increases have been implemented on an annual basis to all fees.

DISCUSSION: The proposed increases for all fees are based on an inflation adjustment for the past year of one percent. Rounding for numbers has been done upward to the nearest dollar, and results in staff proposing raising most fees by approximately one percent to four percent. The fee increases will not result in more revenue than the cost of providing the services. Existing fees that are below twenty-five dollars are not proposed to be increased this year in order to avoid disproportionate increases due to rounding. Fees for Dance Hall permits and for copies of the Zoning Ordinance are capped by Virginia Code, and therefore, are not increased as part of the annual fee increase. The modified fee schedule would become effective on July 1, 2010, if approved by the County Board. Proposed new fees are shown in Table 1 and proposed fee schedule changes are shown in Table 2. The proposed FY 2011 fee schedule is attached.

New Fees: There are several new fees proposed to be added to the fee schedule for FY 2011. A description and explanation for each fee is provided in the Table 1 below. These fees are also highlighted in the comprehensive table of changes (Table 2) below.

Table 1: Proposed New FY 2011 Fees and Proposed Fees Raised More Than One Percent

Proposed New Fee Item	Proposed Fee	Reason for New Fee
Rezoning to “CP-FBC”	\$6,927 plus DES fee of \$3,278 for site area of 25,000 sq. ft. or less \$9,699 plus DES fee of \$5,463 for site area greater than 25,000 sq. ft.	Fees for rezoning to “CP-FBC” were not identified when the “CP-FBC” Zoning District was adopted. The proposed fee is the same fee as that for rezoning to “S”, “C”, “M” and “MU-VS” districts.
Revised DES fee for: Rezoning to “S”, “C”, “M”, “MU-VS” Districts on sites >25,000 sf:	\$9,699 plus DES fee* of \$5,463 for site area greater than 25,000 sq. ft. *DES fee is proposed to be increased. Current DES fee is the same as for sites <= 25,000 sf. CPHD fee reflects only the proposed 1% increase.	The proposed new DES fee reflects the staff time spent reviewing such requests.
Landscape Plan (new submittal) associated with use permit uses	\$302 plus \$302 DES Fee	Fee was inadvertently omitted from the FY 2010 fee schedule.
Use Permit Amendments: Family Day Care Homes, Schools, Type I, Type II and Landscape Plans associated with the above uses	50% of the Use Permit fee listed on the Fee Schedule for these uses.	Fees for use permit amendments were not previously reflected on the fee schedule. The proposed new fees reflect the staff time spent reviewing such requests.

Proposed New Fee Item	Proposed Fee	Reason for New Fee
Use Permit Amendment: Type III and Landscape Plans associated with Type III uses	100% of the CPHD fee and 100% of the DES fee listed on the Fee Schedule for these uses.	
Use Permit Amendment: All other and Landscape Plans associated with these uses	50% (each) of the CPHD and 50% DES fees listed on the Fee Schedule for these uses for use permit amendments meeting the criteria for a minor site plan, as defined in Section 36.H.2.b; 100% (each) of the CPHD and DES fees listed on the Fee Schedule for these uses for use permit amendments meeting the criteria for a major site plan, as defined in Section 36.H.2.a	
Use Permit for creation of VCHPDD with modifications to nonconforming apartments (as in Section 12.B.2, et. seq.)	\$1,782 plus DES fee of \$1,782	A fee was not identified as part of the Zoning Ordinance Amendment that permitted this use (adopted October 24, 2009). The proposed fee is the same as "Type I Commercial & non- commercial conditional uses"
Use Permit for Comprehensive Sign Plan	\$1782	Fee was inadvertently omitted from the FY 2010 Fee Schedule.
Buildability letters requiring plat and deed research and determination letters	\$329 Note: fees for buildability letters that do not require plat or deed research will remain \$56	Previously the same fee was used for buildability letters and determination letters. The proposed new fee for determination and buildability letters requiring research, reflect the staff time spent reviewing such requests
Temporary Sign Fee	\$107 plus \$1.25 per sf for any sign exceeding 100 sq. ft.	The adopted fee specifies only fees for permanent signs. The proposed fee is the same for permanent signs.

FISCAL IMPACT: It is estimated that the proposed fee schedule will generate an additional \$12,916 in fee revenue for the CPHD Development Fund, \$12,647 for the CPHD General Fund, and \$1,000 for DES in Fiscal Year 2011. The fee revenue increases have been included in the Fiscal Year 2011 Proposed Budget.

CONCLUSION: The proposed fee increases are intended to further the County's goal of recovering costs associated with reviews and processing and of operating the current planning and zoning administration programs; to ensure improved community review of proposed development; and in order to provide for efficient administration of the Zoning Ordinance. Therefore, staff recommends that the County Board adopt the attached ordinance to adopt a new fee schedule.

AN ORDINANCE TO ADOPT A ZONING FEE SCHEDULE AND TO SET FEES AT A LEVEL THAT WILL COVER THE COST OF MAKING INSPECTIONS, ISSUING PERMITS, ADVERTISING OF NOTICES AND OTHER EXPENSES INCIDENT TO THE ADMINISTRATION OF A ZONING ORDINANCE OR TO THE FILING OR PROCESSING OF ANY APPEAL OR AMENDMENT THERETO, IN ORDER TO PROVIDE FOR EFFICIENT ADMINISTRATION OF THE COUNTY'S ZONING ORDINANCE

Whereas, in order to provide for efficient administration of the County's Zoning Ordinance, and to provide for the efficient administration of the zoning inspection, permitting and review process, it is necessary for the County to recover the costs of those services from the applicants; and

Whereas the County is authorized by Virginia Code §15.2-2286, to charge fees to recover its costs of making inspections, issuing permits, advertising of notices and other expenses incident to the administration of the Zoning Ordinance and the filing or processing of any appeal or amendment thereto; and

Whereas, the rate of inflation, based on the Consumer Price Index increase for Fiscal Year 2009, is at least one percent;

Therefore, be it ordained by the County Board of Arlington County that the fee schedule attached hereto is hereby adopted and shall be applied to all zoning applications, permits, or other actions, beginning July 1, 2010:

Note: changes since the advertisement are shown with highlight and double underline to show text that is proposed to be added, and ~~double strikethrough~~ to show text is proposed to be deleted.
