

## ARLINGTON COUNTY, VIRGINIA

County Board Agenda Item  
Meeting of November 13, 2010

### SUPPLEMENTAL REPORT—CORRECTED RECOMMENDATION

**DATE:** November 16, 2010

**SUBJECT:** Approval of a Standard Project Administration Agreement Between the County Board of Arlington County, and the Commonwealth of Virginia, Department of Transportation, for Preliminary Engineering of Bicycle and Pedestrian Facilities in the Army Navy Drive Corridor. (Project number: BPTO-000-730, P101, UPC 94213.)

#### **RECOMMENDATIONS:**

1. Approve the attached Standard Project Administration Agreement between the County Board of Arlington County, Virginia and the Commonwealth of Virginia, Department of Transportation for preliminary engineering of bicycle and pedestrian facilities along Army Navy Drive between the Army Navy Country Club access road and the intersection of Army Navy Drive and South 12<sup>th</sup> Street.
2. Authorize the County Manager, on behalf of the County Board, to execute the Agreement, and all related documents necessary to implement the Agreement, subject to approval of the Agreement as to form by the County Attorney.
3. Approve acceptance of \$210,263 in federal Public Lands Highway Funds for preliminary engineering.
4. Allocate ~~\$210,623~~ 210,263 in Public Lands Highway Funds for “trail improvements in Northern Virginia” to the Department of Environmental Services General Capital Improvement fund (PAYG) revenue account 313.364914.43520.B04K.0319.0000.

**DISCUSSION:** The original Board Report included an error in the Recommendations and Fiscal Impact sections. In both sections of the report, two numbers in the amount of the federal Public Lands Highways grant had been transposed. The correct figure is \$210,263. All other aspects of the original Board Report are correct.

**FISCAL IMPACT:** This funding does not require a local match. The ~~\$210,623~~ 210,263 in Public Lands Highways Funds will be allocated to the Department of Environmental Services General Capital Improvement fund (PAYG) revenue account. These funds will allow the County to carry out preliminary engineering and design, and perform due diligence with respect to a federal project being designed and built on and near County roads.
