SUPPLEMENTAL REPORT – REVISED RECOMMENDATION

DATE: January 18, 2011

SUBJECT: U-3139-05-1 Use Permit Review for a child care center located at 825 23rd St. S. (Maria Teresa's Babies, RPC#: 36-031-005).

REVISED C.M. RECOMMENDATION:

Renew the use permit for a child care center for 50 children at 825 23rd St. South, subject to all previous conditions, and with an administrative review in one (1) year (January 2012), and a County Board review in three (3) years (January 2014).

DISCUSSION: This supplemental report is written to add an administrative review to the recommendation. As stated in the original staff report, the Child Care Office noted some concerns that need to be addressed, including updating the paperwork of staff (including criminal history and Child Protective Service paperwork), getting children outdoors daily, and updating the weekly activity schedule. A one (1) year administrative review would allow staff to continue to monitor the use permit and compliance with Child Care Office requirements. Therefore, staff recommends renewal of the use permit for a child care center for 50 children at 825 23rd St. South, subject to all previous conditions, and with an administrative review in one (1) year (January 2012), and a County Board review in three (3) years (January 2014).
