APPLICANT:

Richard E. Carver, President
Fellowship Foundation, Inc.
4800 Hampton Lane, 9th Floor
Bethesda, Maryland 20814

C.M. RECOMMENDATION:

Renew both use permits subject to all previously approved conditions, and with a review by the County Board in five (5) years (May 2016).

ISSUES: This is a use permit renewal request for two (2) dormitories, each for twelve (12) unrelated individuals, and no issues have been identified.

SUMMARY: In November 2004, the County Board approved use permits for dormitory uses, each for a maximum of 12 residents, in dwellings located at 2224 24th St. N. and at 2200 24th St. N. in the Woodmont neighborhood. The uses have operated in accordance with the conditions of each use permit approval since their last County Board review in 2008, and without complaints to County agencies. The applicant has established a neighborhood advisory group to address any concerns or issues that might arise. Therefore, it is recommended that the use permits be renewed, subject to all previous conditions, with a County Board review in five (5) years (May 2016).

BACKGROUND: The County Board approved the use permits for each dormitory at its November 2004 meeting. The use was renewed by the County Board in May 2005, 2006, and 2008. The County Board review in 2008 revealed that the use was in compliance with the conditions and the community supported a longer renewal.

DISCUSSION:

Since the last review (May 2008):

Use Permit Conditions: The dormitories operate in compliance with use permit conditions.

Community Code Enforcement: Staff reports that the uses are in compliance with the County's codes and that there have been no complaints regarding these uses.

Police Department: The Police Department reported no issues with the use permits.

Fire Marshal's Office: The Fire Marshal's Office has not expressed any issues or concerns regarding the continuation of these uses.

Civic Associations: The dormitories are located in the Woodmont Civic Association. The Woodmont Civic Association was sent notification of these use permit reviews. The Civic Association does not oppose continuation of the use permits, so long as they are subject to the same conditions of approval as before.

CONCLUSION: During the review period the uses have operated without complaints to the County and have complied with use permit conditions. Therefore, it is recommended that the use permits be renewed, subject to all previous conditions, and with a review by the County Board in five (5) years (May 2016).
