**C. M. RECOMMENDATION:**

Defer consideration of the subject use permit to the December 11, 2011, County Board meeting.

**ISSUE:** This is a use permit amendment request to expand the maximum permitted enrollment from 50 children to 68 children. **DISCUSSION:** Staff recommends and the applicant agrees to defer consideration of the use permit amendment to increase the maximum permitted number of children to the December 10, 2011, County Board meeting in order to allow additional time for the Arlington County Child Care Office and the Virginia Department of Social Services to work with the applicant in improving their current services sufficiently that both the Child Care Office and the Department of Social Services will be willing to support the proposed expansion.
