Arlington County Board  
2100 Clarendon Blvd. Suite 300  
Arlington, VA 22201

Dear County Board Members:

I am a resident of Arlington County and am offering my support for the Ethiopian Community Development Council's (ECDC) application for a use permit. ECDC has been an active and contributing neighbor in Arlington County since 1983. ECDC's social service programs have served thousands of Arlington residents.

A use permit will allow ECDC to host community events and gatherings, which are critical components of a robust neighborhood. Community meeting space can be scarce, and ECDC's spacious facilities help meet an important need.

I request that you grant ECDC's application for a use permit and thereby provide the newcomer community that ECDC serves with a convenient venue for community events and activities.

Sincerely,

Name: Amy Pasion
