Sophia:

Following-up on our e-mail exchange below, we discussed Chasin' Tails's request for outdoor seating at our Arlington-East Falls Church Civic Association (AEFCCA) Executive Board meeting last night. For the reasons set forth in my e-mail from yesterday, AEFCCA fully supports Chasin' Tails's request for outdoor seating.

Please let me know if you need any additional information (or something more formal) from me.

Brad Rosenberg
President
AEFCCA

Dear Sophia:

Outdoor seating at 2200 Westmoreland St. is consistent with the AEFCCA's original (and continuing) vision for an active streetscape on Westmoreland St. For that reason, I anticipate that Chasin' Tails's request will have the support of AEFCCA Board members when we meet to discuss the issue tomorrow night. The former president of AEFCCA and current Board member (John Wilson) pointed out to me that we are, in effect, being asked to comment on a use of Westmoreland St. that already has our long-standing approval.

I will contact you after our meeting.

Thank you,

Brad Rosenberg
President, AEFCCA
