

ARLINGTON COUNTY, VIRGINIA

County Board Agenda Item Meeting of June 16, 2012

DATE: May 25, 2012

SUBJECT: Adopt the proposed amendment to Section 27-18 of the Code of Arlington County, VA, to permit the clerks of the Circuit and District Courts of Arlington County to collect a courthouse maintenance fee of two dollars (\$2.00), as part of the costs in each civil action filed.

C. M. RECOMMENDATION:

Adopt the proposed amendment, as shown on Attachment A, to amend, re-enact, and re-codify Section 27-18, of the Code of Arlington County, Virginia, to permit the clerks of the Circuit and District Courts of Arlington County to collect a courthouse maintenance fee of two dollars (\$2.00), as part of the costs in each civil action filed.

ISSUES: This is a request to consider a proposed amendment, to amend, re-enact, and re-codify Section 27-18, of the Arlington County Code to permit the Arlington Circuit and District courts to collect a courthouse maintenance fee of two dollars (\$2.00), as part of the costs in each civil action filed. No issues have been identified.

SUMMARY: The Virginia Code, Section 17.1-281, permits the Circuit and District Court clerks to collect, as part of the costs in each civil case filed and each criminal or traffic case, a sum of two dollars (\$2.00) in addition to any other costs as a courthouse maintenance fee. Under existing Section 27-18 of the Arlington County Code, the courts are permitted to assess this cost for all criminal or traffic cases, but not for civil cases. This proposed amendment adds the \$2.00 fee for civil actions.

DISCUSSION: This is one of the only fees that the State Code permits Court clerks to assess for the construction, renovation or maintenance of courthouse or jail and court-related facilities or to defray increases in the cost of heating, cooling, electricity and ordinary maintenance in these facilities. In recent years, Arlington County has spent approximately \$1 million replacing and upgrading the sound and audio-visual capacity of the courtrooms. As the building ages, there have also been several instances of water damage from burst pipes and aging equipment, including humidifiers, which have damaged records and infrastructure. Imposition of this fee,

although not a large source of revenue, will provide much needed funding for the upkeep and maintenance of the courts, police and jail facilities. A few of the other jurisdictions which charge the \$2.00 fee for civil actions, in addition to criminal or traffic cases, are the City of Alexandria, Fairfax County, and the City of Falls Church.

FISCAL IMPACT: The revenue to be generated by this fee imposed on civil actions filed with the Arlington Circuit and District Courts in Fiscal Year FY 2013 is projected to be \$15,000. These funds were included in the FY 2013 adopted budget.
