RE: CMAQ – Congestion Mitigation and Air Quality Federal Funding

Dear Chair Hynes:

I am writing to express the views of the Transportation Commission concerning County Manager's recommendation for CMAQ (Congestion Mitigation and Air Quality) Federal Funding. Our focus was on the various transportation projects and funding of Arlington based projects for this important federal funding source.

The Transportation Commission by a vote of 4-0 approved a motion to recommend that the County Board adopt the FY 14-19 CMAQ funding recommendations as proposed by the County Manager.

The commission heard this item at our meeting on Wednesday October 10th. The Commission received a presentation from county staff. Present and voting at the meeting were Commissioners Slatt, Armbruster, Gearhart and Grant. Please note that the commission lacked a quorum.

I would be glad to answer any questions (703-338-6476).

Sincerely,

John Grant
