

## ARLINGTON COUNTY, VIRGINIA

**County Board Agenda Item  
Meeting of September 8, 2007**

**DATE:** August 17, 2007

**SUBJECT:** U-3174-07-1 USE PERMIT for a family day care for 9 children at 873 N. Patrick Henry Dr. (RPC #12-018-010)

**Applicant:**

Sellapperumage Roshanie Fernando  
873 N. Patrick Henry Dr.  
Arlington, Virginia 22205

**ISSUES:** None

**C. M. RECOMMENDATION:**

Defer the subject use permit for a family day care home to the November 13, 2007 County Board meeting.

**DISCUSSION:** The applicant requests a use permit for a family day care home to expand her existing day care business from five (5) to nine (9) children. This request was deferred by the County Board on June 9, 2007 to allow the applicant to meet with the Dominion Hills Civic Association to discuss the association's concerns regarding parking and traffic. Since the July County Board meeting, the applicant and civic association have continued to meet to determine what issues currently exist and how best to resolve neighborhood concerns. Further, staff has determined that additional information must be submitted in order to complete the applicant's child care licensing application. Staff notes that the applicant continues to work with the County Child Care Office to ensure continued compliance with County regulations. Therefore, staff recommends deferral of the use permit for a family day care home to the November 13, 2007 County Board meeting.
