

## ARLINGTON COUNTY, VIRGINIA

**County Board Agenda Item  
Meeting of October 13, 2007**

**DATE:** September 25, 2007

**SUBJECT:** U-3133-05-1 USE PERMIT REVIEW for The Child & Family Network Centers, childcare center located at 1718 S. Taylor St. (RPC #27-007-086)

**Applicant:**

The Child & Family Network Centers  
3701A Mt. Vernon Ave.  
Alexandria, Virginia 22305

**C.M. RECOMMENDATION:**

Defer the use permit review for a childcare center to the November 13, 2007 County Board meeting.

**ISSUES:** None.

**DISCUSSION:** The subject childcare center at 1718 S. Taylor St. is one of two centers operated by The Child and Family Network Centers in the Virginia Gardens Apartments. The second center is located at 1712 S. Taylor St. Each center provides care for 16 children ages three (3) to five (5) years old, Monday through Friday from 9 a.m. to 6 p.m. Staff does not anticipate that any issues will arise concerning the use. However, the two childcare centers were combined under the same use permit and should be advertised and reviewed together at the next County Board meeting. Therefore, staff recommends that the use permit review for childcare be deferred to the November 13, 2007 County Board meeting.
